

ST THOMAS MORES, CAMPBELL NEWSLETTER

WHAT'S BEEN HAPPENING

Welcome to our Week 7 newsletter

Over the past two weeks, we've been having so much fun at TeamKids. A real highlight has been our incredible boat project! The boat has grown so big that Amelia and Naomi will need to take it down to the lake to test if it floats how exciting!

We've also been busy creating fabulous disco decorations, and the children have loved getting involved in the preparations.

We're thrilled to let families know that **Spring School Holiday** bookings are now open. A flyer is attached with all the details. We have an amazing line-up of incursions and excursions, including a visit to an alpaca farm, the zoo, and Cockington Green Gardens.

As the weather begins to warm up, please remember that all children will need a hat to play outside. Sunscreen will be applied in line with our sun safety guidelines.

We are really looking forward to the final weeks of term and can't wait to see all the wonderful experiences still to come for the children.

IMPORTANT DATES

MON 1st September:

World letter writing day

THURS 4th September

BOAT CHALLENGE DUE

TUES 16th September:

National Play dough day

Boat Challenge:

Our boat challenge is coming along beautifully, and we are almost ready to submit it for judging! The children have worked hard, adding stunning gold paint to decorate our boat and attaching all the milk and recycled bottles donated by our wonderful families to help create the flotation device. Thanks to the overwhelming generosity of donations, we have decided to transform all the leftover recycled materials into a brand-new Loose Parts Play Zone for the children to enjoy during before and after school care. Using recycled materials to design and create has become such a popular activity, and we are excited to see the amazing ideas the children will bring to life in this space!
