WHAT'S BEEN HAPPENING

What an exciting two weeks we have had at Before and After School Care!
Here's a snapshot of our activities:

Talent Extravaganza.

Our talent show was a huge hit! We saw impressive dancing performances with lots of giggles and laughter to go around! We ran an awesome monkey bar challenge where children tested their strength. Prizes were given for students who could hang the longest. The cheers and encouragement from peers made it such a memorable event!

Creative Corner. Students enjoyed expressing themselves through our "My Favourite Food" worksheet, sock puppet creations and colouring activities. They also learned a new craft skill by making fluffy pom poms, which required patience and fine motor skills. The creativity and concentration were wonderful to see!

Team Spirit. Our budding cheerleaders worked together to create an energetic cheer routine, while parachute games brought out teamwork and lots of laughter as students worked together to bounce balls and create waves.

Halloween Science & Crafts. The spooky season came alive with our Halloween-themed activities! Students were amazed by the dancing worms and fizzing cauldron experiment, combining science with seasonal fun. They also got hands-on with clay, creating their own witch's cauldrons, and worked together to compile a creative ingredients list for witches' brews. We finished off by making spooky slime and decorating our space with Halloween decorations.

The children have shown wonderful creativity, teamwork, and curiosity.
We look forward to more adventures ahead!

IMPORTANT INFO

- ☐ Please remember to call or text the service to let us know if your child will be absent for a session.
- ☐ Due to sun safety regulations, children must have hats and sunscreen on to play outside. If your child uses alternative sunscreen, please ensure you drop this off to TeamKids with your child's name clearly labelled on it, or have it in their school bag.
- ☐ Amelia is on leave from: 16/10/2025–6/11/2025.
